

If you had economic loss or property damage because of the Deepwater Horizon oil spill, you could get money from a class action settlement.

A federal court directed this Notice. This is not a solicitation from a lawyer.

- Two settlements—one for economic and property damage claims and another for medical claims—have been reached with BP Exploration & Production Inc. and BP America Production Company (“BP”) over the Deepwater Horizon oil spill.
- This Notice explains the Economic & Property Damages Settlement (“E&PD Settlement”).
- If you are included in the Economic & Property Damages Settlement, you may receive money if you have been damaged by the Deepwater Horizon oil spill in one or more of the following categories:
 - Seafood Compensation
 - Economic Damage
 - Loss of Subsistence
 - Vessel Physical Damage
 - Vessels of Opportunity Charter Payment
 - Coastal Real Property Damage
 - Wetlands Real Property Damage
 - Real Property Sales Damage
- There are geographic areas or “Zones” associated with several of these categories. The website DeepwaterHorizonSettlements.com has detailed descriptions and maps to help you determine whether a location may be included in one or more of these zones.
- With the exception of certain Seafood Compensation Program claims, eligible E&PD Settlement claims will be paid on a rolling basis and E&PD Settlement claimants may receive payments before the Court considers whether to grant final approval.
- If you are included in the E&PD Settlement (an “E&PD Class Member”), your legal rights are affected whether you act or not. Read this Notice carefully.

E&PD CLASS MEMBERS’ LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
SUBMIT A CLAIM FORM	The only way to request a payment under the E&PD Settlement.
EXCLUDE YOURSELF (OPT OUT)	Get no benefits from the E&PD Settlement. Requesting exclusion from this Settlement (also called “Opting Out”) would allow you to file or continue your own lawsuit against BP about the legal claims involved in this E&PD Settlement.
OBJECT	Write to the Court about why you do not like the E&PD Settlement.
GO TO A FAIRNESS HEARING	Ask to speak in Court about the fairness of the E&PD Settlement.
DO NOTHING	Get no individual financial benefits from the E&PD Settlement. However, if you are an E&PD Class Member, the terms of the E&PD Settlement will still apply to you.

These rights and options—and the deadlines to exercise them—are explained in this Notice.

BASIC INFORMATION

1. Why is this Notice being provided?

You have a right to know about the proposed settlement of this class action lawsuit and about your options relating to the proposed Settlement. This Notice explains the lawsuit, the E&PD Settlement, your legal rights, what benefits are available, who may be eligible for those benefits, and how to get them.

This Notice does not provide any information related to the Medical Benefits Settlement. For more information about the Medical Benefits Settlement, and to determine whether your rights are affected by that settlement, or whether you are eligible for benefits under that settlement, visit DeepwaterHorizonSettlements.com, or call 1-866-992-6174.

Judge Carl J. Barbier of the United States District Court for the Eastern District of Louisiana is overseeing this class action. The case is known as *In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico on April 20, 2010*, MDL No. 2179. The people who started the lawsuit are called "Plaintiffs," and BP is among the companies being sued.

Capitalized terms are defined terms in the E&PD Settlement Agreement, which is available on the website.

Do not call the Court or any Judge's office to ask questions about the E&PD Settlement. If you have questions or if you want more information, please visit DeepwaterHorizonSettlements.com or call 1-866-992-6174.

2. What is this lawsuit about?

The lawsuit asserts certain economic loss and property damage claims arising out of the "Deepwater Horizon Incident" (see Question 3) in the Gulf of Mexico beginning on April 20, 2010. The Plaintiffs seek money and other relief for economic and property damage they allege was caused by the Deepwater Horizon Incident. BP disputes and denies Plaintiffs' claims in that lawsuit.

3. What is the Deepwater Horizon Incident?

"Deepwater Horizon Incident" refers to the events, actions, inactions, and omissions leading up to and including:

- The blowout of the MC252 Well (also known as the "Macondo well") on April 20, 2010;
- The explosions and fire on board the Deepwater Horizon oil rig;
- The sinking of the Deepwater Horizon oil rig on April 22, 2010;
- The release of oil and other substances from the MC252 Well and/or the Deepwater Horizon oil rig and its appurtenances (equipment);
- The efforts to contain the MC252 Well;
- All "Response Activities" including the "Vessels of Opportunity" ("VoO") program;
- The operation of the "Gulf Coast Claims Facility" ("GCCF"); and
- BP's public statements relating to all of the above.

4. Why is this a class action?

In a class action, one or more “Class Representatives” sue on behalf of all those with the same types of claims arising from the same events. Here, the Class Representatives are suing to obtain payments for a class of individuals and businesses with specific types of claims for economic loss and property damage arising from the Deepwater Horizon Incident. This class is called the “Economic & Property Damages Settlement Class” or “E&PD Class” for short, and its members—those people and businesses who meet the Class Definition—are the “E&PD Class Members.” Go to Question 10 to see if you are an E&PD Class member. One court resolves the issues for all class members.

5. Why is there a settlement?

The Court has not decided the case in favor of Plaintiffs or BP. Instead, after extensive, arm’s length negotiations, the Plaintiffs and BP have agreed to settle this case to avoid the cost, delay, and risk of a trial. The Class Representatives and their lawyers think the proposed E&PD Settlement is best for all E&PD Class Members.

6. Is the Economic & Property Damages Settlement part of the Gulf Coast Claims Facility (GCCF)?

No. The GCCF has been closed. The new Deepwater Horizon Court-Supervised Settlement Program (“Settlement Program”) has been established under the E&PD Settlement. By the agreement of the parties, the new program operates according to specific, agreed-upon rules and under the supervision of the Court. If you had a claim rejected or denied by the GCCF, it will not affect your eligibility or right to receive a payment under the E&PD Settlement. If you had a claim paid by the GCCF, and you did not sign a release (*see* Question 8), you may still be eligible to receive a payment under the E&PD Settlement.

7. What happened to pending or unresolved GCCF claims?

All pending and unresolved GCCF claims, including all documents related to those claims, have been transferred to the new Settlement Program. The Settlement Program is working on these claims under the rules of the E&PD Settlement. If additional information is needed to process your claim, you will be contacted. If you have a specific question about the status of a GCCF claim, you can call the Settlement Program at 1-866-992-6174 for assistance.

8. What if I received a GCCF final payment and signed a release?

If you made a claim to the GCCF, received payment for that claim, and signed a document called, “Release and Covenant Not to Sue,” you are not eligible to receive money from most parts of the E&PD Settlement. However, you may still be eligible to submit a VoO Charter Payment claim or a Vessel Physical Damage claim (*see* the E&PD Settlement Claims Eligibility and Benefits Chart below for details of VoO Charter Payments and Vessel Physical Damage claims.) You may also still be eligible to participate in the separate Medical Benefits Settlement. If your GCCF claim and the “Release and Covenant Not to Sue” related only to a bodily injury claim, you may still be able to participate in the E&PD Settlement.

9. If I submitted a Short Form Joinder in the lawsuit, do I still need to file a claim?

Yes. Even if you submitted a special short form (“Short Form Joinder”) as part of the lawsuit against BP, you still must submit a Claim Form and provide all required documentation to make a claim and request payment from the Settlement Program (*see* Question 17).

WHO IS IN THE SETTLEMENT

To see if you will be affected by the E&PD Settlement or if you can get a payment from it, you first have to determine if you are an E&PD Class Member.

10. Who is in the Economic & Property Damages Class?

HOW TO REQUEST A PAYMENT—SUBMITTING A CLAIM FORM

16. How much will an eligible Economic & Property Damages Class Member receive?

The amount of your payment will be based on the type of claim you have (*see* E&PD Settlement Claims Eligibility and Benefits Chart beginning on page 11 of this Notice). Complete information on all of the E&PD Settlement benefits is available on the website.

If you receive a payment for an Economic Damage or Seafood Compensation claim, you may also be eligible for payment of specified professional accounting services used to prepare your claim under a reimbursement framework. Visit the website for information on the accounting services reimbursement process.

If you have questions about how the value of your potential claim will be determined, you can call 1-866-992-6174 for assistance.

17. How do I submit a Claim Form to request payment?

If you are an E&PD Class Member, you must complete and submit a Claim Form to request a payment. Each claim category has its own specific Claim Form with detailed instructions, including the types of supporting documentation required. A Claim Form package is available on the website, or can be sent to you by mail by calling 1-866-992-6174.

To submit a Claim Form, you must mail it to the address below or file your Claim online on the website. If you have questions about how to file your claim, you should call 1-866-992-6174 for assistance.

The address for mailing your Claim Form(s) is:

Deepwater Horizon Court-Supervised Settlement
PO Box 1439
Hammond, LA 70404-1439

Claim Offices will also be open across the Gulf Coast to help Class Members file claims. Please visit the website or call 1-866-992-6174 for the location of the Claim Offices.

You may be eligible to file a claim under more than one category. You do not need to submit your claims under all categories at one time. However, once you receive your first payment under the Settlement Program, you must file any and all additional claims within six months from the date of that first payment.

The deadline to submit all Seafood Compensation Claim Forms is 30 days after entry and judgment of the Court's final approval. This deadline is earlier than the claims deadline for all other claims in the E&PD Settlement. The exact date of the claim filing deadline will be posted on the website.

The deadline for filing a Claim Form for all claims other than Seafood Compensation claims is April 22, 2014, or six months after the E&PD Settlement becomes effective (that is, after the Court grants "final approval" and any appeals are resolved), whichever date is later. The exact date of the claim filing deadline will be posted on the website. It is highly recommended that E&PD Class Members complete and submit their Claim Form promptly. If you do not submit a Claim Form on time you will lose the opportunity to apply for a payment from the E&PD Settlement.

QUESTIONS? CALL 1-866-992-6174 OR VISIT DEEPWATERHORIZONSETTLEMENTS.COM

18. Do I need to submit supporting documentation?

Yes. You will need to include certain supporting documents for your claim to be accepted. Please read the Claim Form instructions carefully. If you have any questions about preparing the Claim Form, call 1-866-992-6174.

19. What if my claim is denied or I am not satisfied with my payment?

The E&PD Settlement provides a process to resolve disagreements about how much money you should get. You will get further details in the letter you receive after your claim has been processed. If your claim is denied, or if you are not satisfied with the amount of your payment, you may file an appeal. In cases of an award above \$25,000, BP also has the right to appeal. The website will have an appeal form and further explanation of the appeals process. Please note that there is no appeals process for some Seafood Compensation claims.

20. When will I get my payment?

In general, valid claims will be paid as they are received and approved, except for certain Seafood Compensation claims. Certain Seafood Crew claims for Seafood Compensation will be paid after the Seafood Compensation claim deadline, after all such Seafood Crew claims have been processed.

21. What other benefits does the Economic & Property Damages Settlement provide?

The E&PD Settlement includes the creation of a new \$57 million fund to promote tourism and the seafood industry in Gulf Coast areas affected by the Deepwater Horizon Incident.

In addition, BP is giving to the E&PD Class the right to pursue certain claims against Transocean and Halliburton for the benefit of the E&PD Class. If successful, any proceeds from such claims will be used for the benefit of the class in a manner to be approved by the Court.

22. What am I giving up to get a payment?

If you accept a payment in the E&PD Settlement, you will give up your right to sue BP or the Released Parties (identified in Section 10 of the Settlement Agreement) regarding all of the claims resolved by the E&PD Settlement, as described more fully in Section 10 of the E&PD Settlement Agreement.

However, you will NOT give up your right to sue BP or any of the Released Parties for any other claims (that is, any claims that were not resolved by the E&PD Settlement).

The full text of the Settlement Agreement is available on the website. **The Settlement Agreement describes the released claims with specific descriptions in legal terminology, so read it carefully.** If you have any questions about the released claims and what they mean, you can talk to the law firms representing the E&PD Class, listed in Question 30 below, for free; or you can, at your own expense, talk to your own lawyer.

EXCLUDING YOURSELF FROM THE ECONOMIC & PROPERTY DAMAGES CLASS

If you do not want to participate in the E&PD Settlement and you want to keep all of your rights to sue BP and any of the Released Parties about the claims being resolved in the E&PD Settlement, then you must take steps to get out of the E&PD Class. This is called asking to be excluded from, or sometimes called “Opting Out” of, the class.

23. If I do not want to participate in the Economic & Property Damages Settlement, what must I do?

To exclude yourself or your Entity from (or Opt Out of) the E&PD Class, you must mail in a written request stating “I wish to be excluded from the Economic & Property Damages Class.” Your written request must also include your printed name, address and phone number, and must be signed by you.

You must **mail** your written request postmarked by **November 1, 2012**, to:

Deepwater Horizon Court-Supervised Settlement
Exclusions Department
PO Box 222
Hammond, LA 70404-0222

You cannot ask to be excluded from the E&PD Settlement on the phone, by email, or on the website.

If you choose to Opt Out of the Economic Class, you must Opt Out for all claims you have that are included in the E&PD Settlement.

You do not have to Opt Out of the E&PD Settlement in order to preserve or pursue these Reserved Claims:

- Bodily Injury Claims;
- BP Shareholder Claims;
- Moratoria Loss Claims;
- Claims arising from the fishing, processing, selling, catching, or harvesting of menhaden or “pogy” fish;
- Certain Oil & Gas Industry Claims;
- Certain Gaming Industry Claims;
- Certain Banking, Financial and/or Insurance Industry Claims;
- Economic Damage claims based on employment in the following industries:
 - Banking, Financial and/or Insurance;
 - Oil & Gas;
 - Gaming;
- Claims for punitive damages against Halliburton and Transocean.

24. If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself from the E&PD Settlement, you will not be able to make a claim to receive any payment under the E&PD Settlement, and you cannot object to the proposed E&PD Settlement. If you exclude yourself, however, you may sue or be part of a different lawsuit against BP in the future. You will not be bound by anything that happens in this lawsuit.

25. If I exclude myself from the Economic & Property Damages Settlement, can I still make an Oil Pollution Act claim with BP directly?

Yes. Individuals, businesses, and Entities that exclude themselves from the E&PD Settlement may file Oil Pollution Act ("OPA") claims directly with BP. You can get more information about filing an Oil Pollution Act claim directly with BP by visiting www.bp.com/claims or calling 1-855-687-2631.

26. If I do not exclude myself, can I sue BP later?

No. If you are an Economic & Property Damages Class Member and you do not exclude yourself, you give up the right to sue BP or any of the Released Parties for the claims that the E&PD Settlement resolves. You can still pursue the Reserved Claims listed in Question 23.

27. If I exclude myself from the Economic & Property Damages Settlement, can I change my mind later?

Yes. You have the right to request to withdraw ("revoke") your decision to Opt Out of the E&PD Settlement as long as you do it by **November 5, 2012**, as described more fully in Section 8 of the E&PD Settlement Agreement. In some cases you may be able to revoke your request to Opt Out of the E&PD Settlement after **November 5, 2012**, but BP must agree to any request received after this date and there is no guarantee they will do so. Please visit the website or call 1-866-992-6174 for details about how to revoke an Opt Out.

OBJECTING TO THE SETTLEMENT

28. How do I tell the Court if I do not like the Economic & Property Damages Settlement?

Only an E&PD Class Member can object to the E&PD Settlement. If you are an E&PD Class Member, you can object to the E&PD Settlement if you do not like all or some part of it. To object, send a letter explaining your objection to the proposed Economic & Property Damages Settlement in *In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico on April 20, 2010*, MDL No. 2179. Your objection letter must include:

- 1) A detailed statement of each objection being made, including the specific reasons for each objection, and any evidence or legal authority to support each objection;
- 2) Your name, address, and telephone number;
- 3) Written evidence establishing that you are an E&PD Class Member, such as proof of residency, proof of ownership of property, proof of employment, and/or proof of business incorporation and operation; and
- 4) Any supporting papers, materials, or briefs that you want the Court to consider when reviewing the objection.

QUESTIONS? CALL 1-866-992-6174 OR VISIT DEEPWATERHORIZONSETTLEMENTS.COM

An E&PD Class Member may also object through an attorney hired at his, her, or its own expense. The attorney will have to file a notice of appearance with the Court by **September 7, 2012**, and serve a copy of the notice and the objection containing the information detailed above on E&PD Class Counsel and BP's Counsel by **September 7, 2012**.

Objections must be sent by first class mail to each of the following addresses postmarked by **September 7, 2012**. Objections submitted after this date will not be considered.

Do not call the Court or any Judge's office to object to the E&PD Settlement. If you have questions, please visit DeepwaterHorizonSettlements.com or call 1-866-992-6174.

29. What is the difference between objecting to, and asking to be excluded from, the Economic & Property Damages Settlement?

Objecting is simply telling the Court that you do not like something about the E&PD Settlement. You can object only if you stay in the E&PD Class. Excluding yourself, also called Opting Out, is telling the Court that you do not want to be part of the E&PD Class. If you exclude yourself, you cannot object to the E&PD Settlement and you will not be eligible to apply for a payment under the E&PD Settlement.

THE LAWYERS REPRESENTING YOU

30. Do I have a lawyer in this case?

The Court has appointed Stephen J. Herman (Lead Class Counsel), James Parkerson Roy (Lead Class Counsel), Brian H. Barr, Jeffery A. Breit, Elizabeth J. Cabraser, Philip F. Cossich, Jr., Robert T. Cunningham, Alphonso Michael Espy, Calvin C. Fayard, Jr., Robin L. Greenwald, Ervin A. Gonzalez, Rhon E. Jones, Matthew E. Lundy, Michael C. Palmintier, Joseph F. Rice, Paul M. Sterbcow, Scott Summy, Mikal C. Watts and Conrad S. P. Williams as "Economic & Property Damages Class Counsel" to represent the E&PD Class Members. You will not be charged for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your own expense.

QUESTIONS? CALL 1-866-992-6174 OR VISIT DEEPWATERHORIZONSETTLEMENTS.COM

31. How will the lawyers be paid?

E&PD Class Counsel will ask the Court to consider an award of attorneys' fees, costs, and expenses incurred for the benefit of the entire class, including an interim payment of \$75 million and additional awards equal to 6% of class claims and benefits paid. Class Counsel fees, costs and expenses under the Economic and Property Damages Settlement Agreement and the Medical Settlement Agreement jointly cannot exceed \$600 million.

Class members' payments will not be reduced if the Court approves the payment of Class Counsel fees, costs, and expenses described above because BP will separately pay these attorney fees, costs, and expenses.

THE COURT'S FAIRNESS HEARING

32. When and where will the Court decide whether to approve this Economic & Property Damages Settlement?

The Court will hold a Fairness Hearing at **8:30 a.m. on November 8, 2012**, at the United States District Court for the Eastern District of Louisiana, Court Room No. C268, 500 Poydras Street, New Orleans, LA 70130. At the Fairness Hearing, the Court will consider whether the proposed E&PD Settlement is fair, reasonable, and adequate. The Court will also consider Class Counsel's request for fees, costs and expenses described in Question 31.

If there are objections to the E&PD Settlement, the Court will consider them. After the Fairness Hearing, the Court will decide whether to approve the E&PD Settlement and how much to award to Economic & Property Damages Class Counsel as fees, costs and expenses.

The Fairness Hearing may be moved to a different date, time, or location without additional notice, so it is recommended that you periodically check the website for updated information.

33. Do I have to come to the Fairness Hearing?

No. E&PD Class Counsel will answer any questions the Court may have. However, you are welcome to attend the hearing at your own expense. If you send in a written objection, you do not have to come to the Fairness Hearing to talk about it. As long as you mailed your written objection on time, the Court will consider it.

If you, or an attorney you have hired at your own expense, wish to speak at the Fairness Hearing, you must by **September 7, 2012**, file with the Court and send by first-class mail to E&PD Class Counsel and BP's Counsel at the addresses listed in Question 28, a written notice of your intention to speak at the Fairness Hearing. Be sure to include your name, address, telephone number, and your signature.

Do not call the Court or any Judge's office to get more information about the E&PD Settlement.

If you have questions, please visit the website or call 1-866-992-6174.

IF YOU DO NOTHING

34. What happens if I do nothing?

If you are an E&PD Class Member and do nothing, you will not get a payment from this E&PD Settlement. And, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against BP or the Released Parties about the claims being released by the E&PD Settlement.

However, even if you take no action, you will keep your right to sue BP or any of the Released Parties for any other claims not resolved by the E&PD Settlement. These “Reserved Claims” are listed under Question 23 and are described in the E&PD Settlement Agreement and on the website.
