Friday 18<sup>th</sup> June 2021 Issue: 33

Congratulations to Jayan -he has been selected for the Metropolitan Essex U11 cricket squad. Jayan will represent the Metropolitan Essex District in matches against other Essex Boards this season.

The latest government announcement means that we will continue with our current arrangements until the end of term but nevertheless we are continuing to have fun! Reception welcomed creatures into the school whilst PP1 went to Paradise Wildlife Park in search of them. Father Page joined us on Wednesday for our first Mass since last March and Figures were lucky to receive communion or a blessing. He spoke about alms and how we can help others in so many different ways. At Loyola we always try to put others first and it was lovely to hear the boys talk about this with Father. Let's all see how we can do this over the next few weeks before we break up. Mrs K Anthony

The boys in Reception were delighted to have a visit from some very exotic creatures this week as part of their topic 'All creatures great and small.' These included a pink toed tarantula, a fire salamander, a bearded dragon and even a tortoise named Boris! The boys had the opportunity to touch the creatures and some were even brave enough to have a corn snake on their shoulders. What a great day!

Congratulations to Tadiwa who recently made his First Holy Communion at St Thomas of Canterbury Church with Father Quentin.

## Thank you walkers!

Together you walked 701.09 miles during half term – this is only 5 miles short of Loyola in Spain!!! You also raised an amazing £1,349!! A special mention to Lucas (Rec) for walking 88 miles at 5 years, Jerry (PP1) for fundraising an amazing £375, Joshua (Els) for walking a whopping 109.71 miles and also to Elements for being the class who walked the furthest winning a non-uniform day on Monday!

As a school, each half term, we will focus on different Jesuit values and qualities which will help us become aware of how we can make the world we live in a better place. Our focus for this half term is:

*"to be curious about everything and be active in their engagement with the world, changing what they can for the better"*

Pupils who have demonstrated that they are upholding their responsibilities of being a member of Loyola are:

**Sayan (PP2):** For always ensuring that he and his friends are doing the right thing. Spotted by: Mrs Anthony

**Eliav (PP1):** For showing curiosity and care for the animals we saw at Paradise Wildlife Park. Spotted by: Mrs Foster

Do you know what centrifugal force is? Ask an Elements boy as they have been investigating what it is!

**Book:** Black and British:

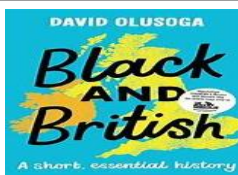

A Short Essential History

**Author:** David Olusoga, OBE

**Genre:** Historical Non- Fiction

**About:** This is a brilliant book which

explores forgotten black history in Britain. It tells of when black people first arrived here, all the way to the 21<sup>st</sup> century. It exposes the enormity of the slave trade and when it started, of the people who despised the slave trade and fought strongly against it. It also highlights black people lost in history, forgotten, and helps us understand how crucial black people were and still are to our diverse community. Olusoga's writing unearths those parts of history that is often neglected. This is a wonderful book, though I recommend it to age 10+ as it is a bit upsetting. By Nikhil (Ruds)
